

## Regional Growth Analysis 2023

Our regional performance varies significantly. North America saw a solid 10% growth rate, reaching total revenue. Europe experienced a slight decline of 2% due to regulatory challenges, ending at . The Asia-Pacific (APAC) region was our fastest-growing market, surging by 25% year-over-year to . We are allocating 30% more marketing budget to the APAC region for the upcoming fiscal year to capitalize on this momentum.
